

# RESIN8™ FAQ

**What is Resin8?**

Resin8 is a proprietary enhanced-resin formula exclusive to American Bath Group. Its properties are significantly improved over previous resins used in the bathware industry.

**How is Resin8 different from previous resins?**

Resin8 is an enhanced resin formula. Based on independent testing, Resin8 shows a 29% improvement in tensile strength, 63% improvement in flexural strength, and 62% improvement in elongation. This means a product that is stronger, more flexible, and more resilient to impacts.

**What will be the availability of Resin8?**

All American Bath Group AcrylX™ products will be enhanced with Resin8.

**Will I experience a longer lead-time on my orders because of Resin8?**

No. Lead times and availability of products will remain the same.

**What is the warranty on Resin8 enhanced products?**

Products enhanced with Resin8 will continue with existing warranty terms, including our unprecedented Lifetime Warranty on AcrylX™ products.

**How do I know if a product is enhanced with Resin8?**

All Resin8 products are easily identified with a new dark charcoal color backing.

**Will AcrylX™ and CenturyStone™ Solid Surface products be enhanced with Resin8?**

Yes, all current AcrylX™, including CenturyStone™ Solid Surface, products will now be enhanced with Resin8.

**Will the packaging be the same as it is today?**

Yes, but there may be changes to promotional aspects of the packaging.

**Will Resin8 enhanced products cost more?**

No. All American Bath Group AcrylX™ products will be enhanced with Resin8 at no additional cost.

**What is the Fire Rating?**

Resin8 enhanced products have passed all code-required fire-rating tests.

**Does Resin8 meet IAPMO, NAHB, etc. requirements?**

Yes, it meets all regulatory codes that our current products meet.

**Is there any significance to the 8?**

Resin8 was the eighth resin formula tested over several years of research.

**How is Resin8 used in the manufacturing process?**

The manufacturing process is patent pending and proprietary.

**When will Resin8 enhanced products be available?**

All American Bath Group brands will be transitioned to Resin8 by early Q1 2019.

**Can Resin8 enhanced products be repaired?**

Absolutely. It is easily repaired and restored to original factory condition.

**How do I order Resin8 Products?**

All American Bath Group product will be transitioning to Resin8 enhanced resin. You will not need to place a Resin8 specific order.

**How can I get more information on Resin8?**
