RESIN8 FAQ

What is Resin8?

Resin8 is a proprietary enhanced-resin formula exclusive to American Bath Group. Its properties are significantly improved over previous resins used in the bathware industry.

How is Resin8 different from previous resins?

Resin8 is an enhanced resin formula. Based on independent testing, Resin8 shows a 29% improvement in tensile strength, 63% improvement in flexural strength, and 62% improvement in elongation. This means a product that is stronger, more flexible, and more resilient to impacts.

What will be the availability of Resin8?

All American Bath Group AcrylX[™] products will be enhanced with Resin8.

Will I experience a longer lead-time on my orders because of Resin8?

No. Lead times and availability of products will remain the same.

What is the warranty on Resin8 enhanced products?

Products enhanced with Resin8 will continue with existing warranty terms, including our unprecedented Lifetime Warranty on AcrylX™ products.

How do I know if a product is enhanced with Resin8?

All Resin8 products are easily identified with a new dark charcoal color backing.

Will AcrylX[™] and CenturyStone[™] Solid Surface products be enhanced with Resin8?

Yes, all current AcrylX[™], including CenturyStone[™] Solid Surface, products will now be enhanced with Resin8.

Will the packaging be the same as it is today?

Yes, but there may be changes to promotional aspects of the packaging.

Will Resin8 enhanced products cost more?

No. All American Bath Group AcrylX[™] products will be enhanced with Resin8 at no additional cost.

What is the Fire Rating?

Resin8 enhanced products have passed all code-required fire-rating tests.

Does Resin8 meet IAPMO, NAHB, etc. requirements?

Yes, it meets all regulatory codes that our current products meet.

Is there any significance to the 8?

Resin8 was the eighth resin formula tested over several years of research.

How is Resin8 used in the manufacturing process?

The manufacturing process is patent pending and proprietary.

When will Resin8 enhanced products be available?

All American Bath Group brands will be transitioned to Resin8 by early Q1 2019.

Can Resin8 enhanced products be repaired?

Absolutely. It is easily repaired and restored to original factory condition.

How do I order Resin8 Products?

All American Bath Group product will be transitioning to Resin8 enhanced resin. You will not need to place a Resin8 specific order.
